CORRECTIONS: Excited to start as corrections chair. Meeting with Jennifer Rice on Friday to go over applications for next orientation. Attended area corrections workshop in November. Take away was that it's a privilege that we've been invited to bring AA meetings into Scott County and that we need to be mindful that we are a security risk and abide by all regulations and cooperate patiently w/ central control. Anyone interested in corrections service that doesn't want to go into jails can take part in Corrections Correspondence you can contact me or visit the aa.org website or send an email to corrections @ aa.org.

INTERGROUP LIASON: Intergroup needs volunteers in the office and on the phone rotation you need 6 months sobriety. Anyone interested please call the office.

We will be holding elections for all positions in March for the Intergroup committee, the election will be held on March 6 at the monthly Intergroup meeting.

Our Intergroup Anniversary on March 18 at Woodman Park, please ask you groups to help donate for coffee which is our biggest expense a Erin of coffee is \$42.00. Also if you would donate a dessert for the Anniversary that would be awesome.

LITERATURE: Good day District 9, We had planned to be there today and sickness has plagued us. As many of you know, Dan and I have moved to Kewanee. We had hoped to still be able to maintain our positions but the commute is proving more straining than we had imagined.

I will continue to line up chairpeople for you until you can fill the treatment position as I do not want to just drop this position in your laps. It is with deep regret that we have to resign. We have enjoyed our time in District 9 and will miss the Quad Cities.

As far as literature, all racks are full and the inventory has been pretty depleted. I went through the pamphlets and got rid of outdated ones last year.

There are now 2 racks and I will put in an order for pamphlets so there will be some for the district event.
