However Scott County got such an influx of new volunteer applications that they are holding a special orientation for new volunteers so they don't have to wait until the next orientation in November to begin service. The committee members are attending their business meetings and asking to be put on the agenda in order to talk about the Grapevine. We are meeting on July 29th to create the tri-folds and discuss the quick presentation that will be used at the business meeting. TREATMENT: I went to the Fairmount Group where I met a counselor and attended the BTG meeting. I spoke with the person who usually runs that meeting and he seems to have it organized. I will be reaching out the Administrator to discuss the schedule and ensure I'm their new contact for AA.

The two 8:00pm Country Oaks meetings are covered through October. This treatment center is going through changes due to the ownership change. The changes might affect the volunteers, but we won't know anything for a few months from now. The Abbey BTG meeting is running smoothly, so nothing has changed with that as of now. Love & service, Sarah

INTERGROUP LIASON: Hello from Intergroup Everything is going well, we can always use volunteers in the office and on the phone rotation 6 months sobriety is needed. Service work is 12 step work. GSR REPORTS;

BETTENDORF: Preparations are being made for the Bettendorf group picnic to be held September 10, 2017 at the Bettendorf band shell starting at 11am. Food fellowship and activities for kids. Please bring a dish to share. Flyer to come next month. The group will donate a \$50 basket for the intergroup golf outing. A concern about safety in the

room was brought to the groups attention at the meeting. The group discussed and voted tot ake action against the particular individual causing the concern. Because of the discord in the group after this vote and after contacting GSO for guidance, it was decided to readdress the issue in a Group conscience meeting. After a lengthy discussion to include AA's traditions and concepts the motion to take action against the individual was rescinded. Most importantly, it was noted that the group needs to set guidelines for safety in the rooms strongly keeping in mind the 12 steps and traditions. Topic placed on next months agenda. In love and service, Nancy R Bettendorf
