**Events Chair:** Greetings from Events, Our committee met, we were not able to secure a church for the event we planned as previously discussed. In addition, the committee was unanimous in the thought that an evening event would bring about more fellowship. We have several event ideas from our planning committee that will need to wait, for our priority now is on our main Intergroup event.

I confirmed with Modern Woodman Park that the coffee urns will remain at the cost of \$42 (there was a question about that last time).

If you have any questions let me know, right now I am gathering my committee for the planning of the event which will be April 14.

In love and Service, Vicki F.
