PI- Pete-There are currently 2 projects being considered. The first is having AA meeting schedules available at local motels. We will contact local motels and discuss this to determine how receptive they are. If we proceed we will need a budget of \$40.00 for the purchase of 200 schedules.

Second, we intend to contact the Rock Island County Library and provide our meeting schedules so they are available for those in need. Also, we will review the current inventory of AA literature. This review will be presented at the April District Meeting so we can make a group decision as to whether or not to offer additional books. All budget matters are deferred to the April District meeting. Milan Hillcrest would like a copy of an updated District list showing those holding district positions and their contact information.
