1. Event involved comprehensive review and decision regarding suggested changes to pamphlet literature, service manual and grapevine. I was assigned to service manual.

3. As of attendance on Saturdays spring committee meeting, I will join Area 20' assembly/convention to review floor plans of new properties under construction to determine if their facilities will be adequate. The need for numerous forms for panels is a concern.

Intergroup- Randy C-Hello Everyone, the 44th Intergroup Anniversary Event went very well with just over 200 attending and there was a great speaker. This was the first time the speaker was recorded so Intergroup has a CD for rent if you would like to hear him. There is a \$1 deposit which is refunded when you return the CD. There is an opening on the phone rotation for the 2nd Sat. of the month from 5:30pm-9am and you need 6 months of sobriety. Just a reminder that they forward the Intergroup phone to your phone so you do not need to be in the office, also, you are just acting like a secretary and will refer the caller to someone from a list to actually do the 12 stepping. Contact Intergroup for more details if interested. The open position for the Dist. 9 Liaison was filled by Park P. who just served as the Intergroup Treasurer and has held several other Service Positions in the past. The Website is doing well with another all-time high of 1467 users.

In Love and Service Randy C.
